

Mathematics 10C

Student Self-Reflection Tool – Option #2

Rocky Road

Name _____

Use this form to reflect on your task before you submit it to your teacher.

CRITERIA	Indicate your level of readiness in each area with an "x".
<p>My description of the graph is explicit and contains precise mathematical language.</p> <p>I have provided an accurate explanation of the slope and how it relates to the hiker's speed.</p>	<div style="text-align: center;">  </div> <p style="display: flex; justify-content: space-between;"> My description of the graph requires a lot of work. My description of the graph is explicit, precise, and accurate. </p> <p>I will improve this part of my task by...</p>
<p>I used the graph and correctly determined the equation of the line, supporting my answer with calculations.</p>	<div style="text-align: center;">  </div> <p style="display: flex; justify-content: space-between;"> My description of the graph requires a lot of work. My equation is correct and I verified it by substitution. </p> <p>I will improve this part of my task by...</p>
<p>I created a graph that explicitly connects to the story I came up with.</p>	<div style="text-align: center;">  </div> <p style="display: flex; justify-content: space-between;"> My graph and story don't match, and I don't know how to fix it. My graph matches my story perfectly. </p> <p>I will improve this part of my task by...</p>
