Mathematics 20-3
Peer Coaching Feedback Tool – Select a Bank Account

Building a Budget

Instructions for the Coach
Indicate your level of understanding on the continuum based on the explanation provided by the student you are coaching.

Student **Coach**

To what extent have I clearly explained the **financial** reasons behind the decision and the subsequent costs or savings?	I still have a lot of questions ⟷ Your explanation makes sense to me I think this because...
To what extent have I clearly explained the **personal** reasons behind the decision and the subsequent costs or savings?	I still have a lot of questions ⟷ Your explanation makes sense to me I think this because...
To what extent have I clearly explained the **services** available from various account options?	I still have a lot of questions ⟷ Your explanation makes sense to me I think this because...
