

**Mathematics 20-3**  
**Peer Coaching Feedback Tool – Stating the Assumptions**  
**Which Roller Coaster is For Me?**

Interview a classmate about how well you completed two parts of this task. Here are some questions to ask your classmate. Switch roles after asking your classmate these questions.

	<p>How well did I explain the implication of the slope on the roller coaster's speed?</p> <p>Feedback for classmate:</p>
	<p>How well did I describe the given graphical representation of slope in an explicit manner?</p> <p>Feedback for classmate:</p>
