	Please notice... <b>OR</b> I have some questions ...	I noticed... <b>OR</b> I have some suggestions for you...
<p>Is my graph drawn correctly, and to an appropriate scale?</p> <p>Is it labeled appropriately?</p> <p>Have I determined a correct regression equation?</p> <p>Is the equation written the appropriate form?</p>		
<p>Have I used my regression equation correctly to calculate the number of users in August 2012?</p> <p>Have I provided a perceptive discussion of the reasonableness of my model?</p>		
<p>Have I determined the year in which Facebook would have reached one billion users?</p> <p>Have I clearly shown how I arrived at that calculation?</p>
