

## Performance Assessment Task

### We Belong!

Welcome Wagon is a special group in your community. They give information to people who have just moved here. This group would like to create a scrapbook about your community. It will show new families some of the groups to which children can belong.

Our class is going to help with this project. Each of you will create a picture for the scrapbook. The picture will show a group to which you belong. Add a caption that tells:

- the name of the group
- what you do in the group
- why you like to belong to the group.

Your teacher will put all the pictures in the scrapbook. The Welcome Wagon will be excited to share this with new families in your community.
