

Performance Assessment Task

Welcome To Our Community

A student from another community will be joining our classroom. To help our new student feel welcome in our community, our class will prepare a bulletin board to show special places in our community. We will explain why these places are important to our community.

Your job is to:

1. Choose a landmark that is important to our community and draw a picture of this landmark.
2. Add a caption to your picture. The caption will explain why this landmark is important to our community.

Your teacher will display your picture and caption on the bulletin board.

Enjoy welcoming your new classmate!
