

Grade 5 Social Studies
Peer Coaching Tool: Share Information
Day at the Museum

Student _____ **Coach** _____

How significant is the information that I researched to share about my selected group?

When I described how this group lived:

- ___ Is the information on topic?
- ___ Is there enough information to help my audience understand?
- ___ Does the information help me understand how these people felt about their lives?

Comments/questions from the Coach:

When I described their hardships:

- ___ Is the information on topic?
- ___ Is there enough information to help my audience understand?
- ___ Does the information help me understand how these people felt about their lives?

Comments/questions from the Coach:

When I described their contributions:

- ___ Is the information on topic?
- ___ Is there enough information to help my audience understand?
- ___ Does the information help me understand how these people felt about their lives?

Comments/questions from the Coach:
