

Grade 6 Social Studies
Student Self-Reflection Tool: Describe Diverse Perspectives
Enemies of Injustice

Student _____

How well did I **describe diverse perspectives**?

It is important to consider different perspectives when making decisions and solving problems. As you prepare to describe the diverse perspectives surrounding the injustice you have selected, use the checklist to help you know if you have the right kind of information that will help provide a balanced description of the issue.

When I describe diverse perspectives,	Yes, because...	Not Yet... Action Needed or Assistance Required
<ul style="list-style-type: none"> Do I have information to support at least 2 different perspectives on the issue? 		
<ul style="list-style-type: none"> Is the information for each perspective plausible? 		
<ul style="list-style-type: none"> Have I described each perspective accurately and fairly?
