Presents orally with inconsistent attention to expression and volume, and generally follows the pre-established plan.	Presents orally with little attention to voice, volume, or the pre-established plan.	

* When work is judged to be limited or insufficient, the teacher makes decisions about appropriate intervention to help the student improve.

My family's physical Activities

My family believes exercise is good.

Does your family think it's good to exercise? welcome carry, teachers and fellow students of grade three.

and my mom like to exercise because it gives them fresh air and it works there muscles.

My dad does gym because it has all sorts of sports. The stuff does gives her awesome exercise.

My mom likes snowboarding and volleyball because it grow her new muscles and I like to do sports because it keeps there ^{off} I hope I made

me speech clear so you know my family does different things and all sorts of sports.

Thank you for listening

By

I used to swim in swat but now its over so for now I swim in

public swimming physical
