

May 4, 2020

Due to the upcoming retirement of our current Executive Director, Sherry Bennett, the Alberta Assessment Consortium is pleased to announce the appointment of Michele Jones as its Executive Director effective July 1st. Michele currently works with the Edmonton Regional Learning Consortium as the lead consultant of curriculum implementation and possesses a deep understanding of planning, instruction and assessment. Michele completed her Master of Education degree in Educational Leadership through the University of Portland in 2014 and gathered teaching and leadership experience across various roles in Black Gold and Evergreen Catholic School Divisions. She has a proven track record of excellent relationships across the zone and other professional learning organizations within Alberta, including being the ERLC liaison to Zone 3 advisory contacts.

Experience working regionally and provincially with teachers and school leaders on our current and future curriculum will enable Michele to continue AAC's tradition of providing high-quality classroom assessment materials. With the high degree of familiarity Michele has with the curriculum development process in Alberta, she's very well prepared to support sound assessment practice in the context of future curriculum implementation. Michele's experience as a designer, facilitator, and broker of professional learning opportunities will be a valuable asset to her in the Executive Director role. She is recognized by others as an educational leader able to create optimal conditions for adult learners to explore improving their professional practice and challenge themselves.

Congratulations, Michele!
